Vellore Institute of Technology, India
Universidad Autónoma de Coahuila, México

WORKSHOP

Introduction to Genetic Algorithm

Dr. Suresh Gadi

GENERAL INFORMATION

We extend a cordial invitation to the students registered in the Postgraduate Master's Degree Program of this institution, to submit their thesis work which, they are undergoing as part of their academic activity. The symposia will be held in the premises of the ITSM campus in Misantla.

Participation certificates will be provided for each article. The articles should preferably be written in English. Authors are provided with templates attached to this mail for editing the articles. The best works will be submitted to a special edition named **Ingeniantes**, ISSN: 2395-9452. The articles should be sent to the following email: msc-simposio2017@itsm.edu.mx, with the title "ITSM SIMPOSIO-2017". Other exceptional cases related to the symposium will remain at the discretion of the organizing committee.

DATES:

- Deadline for article submission: 28th April 2017
- Notification of acceptance: 12th May 2017
- Deadline for final version of the article: 2nd June 2017

REGISTRATION FEES:

The cost of registration for each article is \$1000 MXN*. The fees can be directly paid in the ITSM cash section. The payment due date for accepted articles is on or before 19th May 2017.
